DR. CHAMPION'S VEGETA BY. AGUE MEDICINE;

safe and certain Cure for Chills and Fevers in all its complicated forms; Also an effectual remady for Feners of every description.

ROBERT SEARA. Publisher, 122 Nangu st., N. V.
The above will be found the man useful and This medicine has been used by the oprotor a number of years, in extensive quiar works over published, for on erprising practice, during which time he has treated n to undertake the sale of in all our cities ome thousands of cases of Fevers and rum the success in this mode of practice, LT All Clorgymen, Supermenden a and Teachers of Sabra is Schools, Agen, a of News-papers and Deriodicals, and Postmas ers, are he is confident it must and will be the prevalling practice in Percer. It never fails to cure the Chilts and Fever the first NEW AND CATRAORDIN RY IN

Billions, Typhus, Nervocs, Conjestive. LY IMPROVED MANIFOLD WRITER and Winter Fevers, all yield to the one of this medicine, and are cared by this system of practice, in a short time, and with much more certainty than any other system of practice that has over been recom-

letter with an ordinary pen and ink.

To the mercantile, perfectional, and travellang part of the community this truly great in-Letter from Mr. Thomas Patton-Tonn vention is of mestimable value, as it is a great Dr. Charrion - Dras Sin.

This is to court manifold writer is, that a copy of any document may be kept without any additional trouble to the writer, and without any necessity of using wither an inketand or a pen. The instrument my work hands 25 in number, fore ery have been afflicted very much with the thills and fever-and your pills have used for writing is an agate point, consequently it never wears by use. For banks, insuthe cure of that descare in all cases. 1 rance offices, merchants, men of business gotshave not called the aid of a Physicians this erally, lawyers, postmasters, editors, reporters, year-about six dollars have covered all make officers, and all who may be desirous of my expenses, for your pills and they have securing cories of their letters, documents, affected an immediate core in every &c. with an Hamense saving of time and the case that has appeared among us, my satisfaction of having an exact convol wha friends in this part of the county speak they have written, this will be found invalua- very highly of these pills, and think they The following is from the Chairman of the Committee on Chemicale, appointed by the managers of the American Institute at their have been much benefited by the use of them, and are very anxious that you should let as have a good supply of your medi-

"The judges appointed by the managers of the Fair of the American Institute, held at Niblo's Garden, October, 1841, report, that we have examined into the merits of Francis's Manifold Writer, and that it to be a very ingenious and useful contrivance, by which two or more better, or other documents, may be written at once. The ink used as not in a line written at once. Bridgeville, Tenn. Dec. 23th 1841. THOMAS PATTON. This is to Certify that I have used Dr. impion's Vegetable Agoe Medicine in my family for the last eighteen months with the most happy effect. I have used the medicine in Chills and Fever, and written at once. The ink used is not in a liquit state, but consists of a composition applied Billions and Congestive Fever, and have to sheets of paper. The nature of this composition as such that it is not liable to change collknown it used in a great number of cases atton a such that it is not make to change col-or by expound to the air or moisture; nor is it easily removed from paper by chemical agents. "The procepts advantage to be derived from a use of the Mamoid Writer is, that a copy of within the surrounding Country, and in the many cases in which I have known it used it has never failed in a single instance to perform a cuse; and I will say to those any discussions may be kept without any aids. that may be benefited by the une of the timed trouble to the writer, and without the machines that I at the The timed Its file. out the modicine, that I do think Dr. Chemplin's
